

OCCUPO

Predict & Access the good home.

1 Who we are ?

An organized property management solution for property owners and tenants. We execute this through an online property listing platform which is easy, credible and convenient to use.

Problem

- Unaccounted leg hours spent to manage a property
- Unpredictability and inaccessibility for the tenants
- Timely payment of rent
- Unattended repairs and maintenance issues
- Tenant Management

Process

- Perform a rental analysis of your property and giving you a realistic outlook of what you can expect from the market.
- Inspect for preventive maintenance issues that can be addressed early to save you time, money, and headache.
- Prepare your property for marketing and showings by taking photos.
- Market your property to using our innovative advertising campaigns that include web, traditional, and social media marketing.
- Process and screen all applications.
- Coordinate all move-in procedures.
- Collect rent and report any maintenance requests.
- Provide a monthly accounting to the owner.
- Our maintenance department - Occupo care takes care of works such as painting, plumbing, electrical, carpentry etc.
